

Dear Jeremy - you are prolific! Bravo - Good pieces
Have not listened to the Sonata yet but what I have
heard is fresh, humorous and there is a Beck style to
all of it. Ever so musical.

Sorry to hear of all you went through
pointlessly in search of the right job. Frustrating. I
hope eventually you'll find what you want, and what you
deserve. See you in November (Des Moines) Have a
great summer - Ever Lukas Foss June 97
